**About Legacy Signature Experiences** *This tour includes outstanding experiences selected for the enhanced enjoyment and understanding they provide of the geology, scenery & human history of our national parks. You won't find many of these included in group tours today due to the expense, planning and advance preparation required. (often they're only available on an optional, extra cost basis). Most signature experiences are complimented by professional, local guides who bring these important places to life for you in a way you could never do on your own. We know these unique travel experiences will become your group's best memories.*

*Included Signature experiences are marked with an **(S)**; Pitchfork steak fondue dinner & Medora Musical in Theodore Roosevelt National Park, full half day to explore Buffalo Bill Historical Center (5 spectacular museums under one roof and best western gift shop anywhere), guided tour of Remington-Alberta Carriage Centre (finest collection in North America), a ride to summit of Sulphur Mountain on the Banff Gondola, (best view of Banff), travel over an active glacier on unique Ice Explorer vehicle, (the only regularly scheduled such tour in the world), day-long narrated driving tour of Going to the Sun Road in historic red buses with expert driver-guides, combined driving & walking tour of mysterious Maligne Canyon and narrated cruise of Maligne Lake (rated "best cruise in Canada" by Readers Digest in 2007), and best view of a "turquoise lake" in the Canadian Rockies).*

**About Legacy Signature Stays** *Signature stays in historic hotels include a night in Yellowstone Park and two nights in Glacier Park.. These impressive lodges are among the largest log buildings ever built, are located in the most spectacular settings, and provide lodging and dining experiences far beyond simple overnight stay. They add measurably to your understanding and enjoyment of a national park visit.*
